

NEW All-round disinfectant with several uses is safe, friendly to the skin and dries quickly. Effective against viruses and bacteria on all surfaces. For use on the hands, railings, door handles, PC accessories, steering wheel, shopping carts and much much more.

How to use All Around spray:

Hands:

Spray in one hand and rub your hands together in a washing motion until your hands are dry.

Surfaces:

For use on surfaces, you can simply spray the surface and allow evaporation to complete or you can wipe off residues after 5 minutes and leave the active ingredients on the surface.

(all-round version) Why Choose X-Mist?

- Effectively neutralizes viruses and bacteria
- Disinfects all surfaces
- Protect yourself from others and reduce the spread of bacteria and viruses.
